Identification Label

ENVIRONMENTAL PROTECTION

This symbol is known as the “Crossed-out Wheellie Bin Symbol”. When this symbol is marked on a product or battery, it means that it should not be disposed of with your general household waste. Some chemicals contained within electrical/ electronic products or batteries can be harmful to health and the environment. Only dispose of electrical/electronic/ battery items in separate collection schemes, which cater for the recovery and recycling of materials contained within.

Your co-operation is vital to ensure the success of these schemes and for the protection of the environment.

GUARANTEE

BG SyncEV products are guaranteed against faulty materials and workmanship for a period of 3 years from date of delivery: products will be repaired or (at BG SyncEV’s discretion) replacements will be supplied or (at BG SyncEV’s discretion) a credit note will be issued. This guarantee is subject to BG SyncEV’s conditions of sale and in particular to the following conditions being met:

1. Notification of any defect is given to BG SyncEV as soon as reasonably practicable after becoming apparent, and the products then returned to BG SyncEV
2. The products have only been operated under normal operating conditions and have only been subject to normal use.
3. No work (other than normal and proper maintenance) has been carried out to the products without BG SyncEV’s prior written consent.
4. The products have been assembled, or incorporated into other goods, by a qualified and recognised electrician and only in accordance with any instructions issued by BG SyncEV.
5. The defect has not arisen from an item manufactured or supplied by a person other than BG SyncEV.
6. 3 year warranty available as long as charger installation is registered, otherwise standard warranty is for a period of 1 year.
