

Technical Data

Nexus Grid 10A 3 Pole Fan Isolator Modules

Brief product description:

The Nexus Grid range is ideal for domestic, commercial and industrial applications, and allows you to build your own module configurations with a variety of combinations and finishes.

Features:

- The Fan Isolator switch has a triple pole switching design, however can be used for double pole applications if required
- Simple secure 'locate & clip' fitting to frame
- Captive backed out terminal screws for fast installation
- Module to be installed with Grid frame and plate
