

Product Code: NIGHTHAWK

Description: 16.5W IP55 LED Floodlight with 160 degree PIR Detection

General Information	
Dimensions (mm)	280 x 115 x 160
PIR Angle (°)	160
PIR Range (m)	<12
Warranty (Years)	3
Supply & Power	
Supply Voltage (V AC)	100 - 240
Power Consumption (W)	16.5
Construction	
Materials	ABS
Finish	Black
Mounting	Surface Only
Outputs	
Maximum Output Load (W)	50 (LED) 500 (Halogen)
Switched Output	Switched Live
Luminaire Output	
LED Lamp Type	16 x SMD 2835
Colour Temperature (K)	5000
LED Spread	Wide spread illumination up to 120°
Mains Luminous Flux (Lm)	1500
LED Life (Hours)	40000
Environment	
Ingress Protection	IP55
Operating Temperature (°C)	-20 to +40

Features	Supplied
Low Energy 16W Maximum Power Consumption Weatherproof, Suitable for External Use Adjustable on Time of 5 Secs to 5 Mins Adjustable Lux – Dusk to Dark Adjustable Floodlight Direction – Horizontal and Vertical Axis Ideal for use with up to Four NH150LED Floodlights Weatherproof, Suitable for External Use	User Manual, Mounting Screws & Wall plugs
