

Product Code: CSD2

Description: Combined Optical Smoke & Fixed Heat Detector with Diode Base

General Information

Dimensions	ø102mm x 48mm (Including Base)
Type	Conventional
Class	A1R
Wire Gauge	0.4mm - 2.0mm TWIN
Weight (Including base)	170g

Testing

Test Facility	Simulated Smoke/ Heat
----------------------	-----------------------

Power

Operating Voltage	9 - 30VDC
Standby Current @ 24v	< 60µA
Alarm Current @ 24v	49mA

Environment

Ingress Protection	IP30
Relative Humidity Resistance	(93±3)% @ 40°C
Operating Temperature	-10°C to 60°C
