

CAMDO05W

480 TVL IP65 Day/Night (20M IR) "Eyeball" Dome (Fixed 3.6mm)

Features:

- External or internal use day/night camera (IP65 rated).
- Horizontal resolution of 480 TVL.
- High quality Sony Super HAD II 1/3" colour CCD (ICX639AK).
- High quality Sony DSP (CXD3172AR).
- High quality Sony IC (CXA3796N).
- Fixed focus 3.6mm lens.
- Colour images during the day, B&W images at night.
- 24 x size 5 LED's (maximum 20M range illumination).
- Dual glass, hoop/ring design (prevents IR glare).
- 3 axis design (ceiling and wall mountable).
- Easy to install "screw on" base.
- 12vDC 350mA power consumption.
- Supplied with a 2.1mm power connector.
- 2 year warranty (subject to T&C's).

Camera Specifications

CAM-DO05W

Image sensor	1/3" Sony S/HAD II CCD
Horizontal resolution	480 TVL
Lens	3.6mm
Minimum illumination	0.5 lux (0 lux IR's on)
No. of LEDs	24
IR coverage	Maximum of 20M
Pixels	Effective 752(H) x 582(V)
Video output	1.0v p-p / 75 Ohm
Voltage	12v DC (350mA)
White balance	Auto
S/N ratio	> 48dB
Sync system	Internal
Gamma	> 0.45
Electronic shutter	1/50 - 1/100,000 sec
Operating temperature	-10°C to 50°C
