

NEW Ladder Range

ToolShield

Introducing the new range of **ToolShield** fibreglass ladders

GreenBrook are pleased to introduce a versatile and durable range of ladders in fibreglass and an aluminium work platform. Built for use in tough environments and designed to handle the wide variety of tasks required on a jobsite, whilst ensuring optimum safety and convenience for the user.

Fibreglass ladder rails are non-conductive - safer for working around electricity

Lightweight, Strong, Heat and Weather resistant

Durable - offers excellent resistance to denting and bending

Safely secure tools at working height using the multi-functional top

Non slip steps and rubber non-slip feet for greater safety

Conforms to EN-131-1-2-3 (For commercial use 150KG)

Voltage tested to BS-EN 131 (1000V)

Ideal for commercial use

FIBREGLASS LADDERS

Part No	No of Steps	Weight (approx)	Open Height	Width	Open Depth - mm
LADF3	3 STEP	4.80kg	760	x 450	x 660
