

HS3MAG1S

Wireless door and window sensor – White

Enjoy added peace of mind with the HS3MAG1S Wireless door and window sensor. Link the sensor with your existing Honeywell doorbell or home alarm kit, and get alerts whenever a door or window has been left open, or when someone enters or leaves your home.

**Both HS3MAG1S and HS3MAG1N are identical and interchangeable, the only difference are the other European languages on the packaging.,*

Pack Contents:

1 x Wireless Door and Window Sensor, 1 x Quick Start Guide, 1 x Safety & Guarantee, 1 x Declaration of Conformity, 2 x CR2032 (3V),

Key Features and Benefits:

Door Entry Alerts - For added peace of mind, get alerts whenever someone opens a door or window. The wireless door and window sensor, enabled by Honeywell ActivLink™, connects with your Honeywell doorbell or home alarm system to trigger an alert sound.

Easy To Install - All Honeywell push buttons and accessories are easy to install, with optional screw-free installation and an easy open battery compartment so you can be set up in minutes. All this is backed up by our 2 year product guarantee.
