

Lumapar TM3411

product data sheet

Description

A flexible range of discreet spotlights for mains tungsten halogen lamps not requiring a transformer. Ideal for highlighting and general lighting applications.

APPLICATIONS

Ideal for highlighting and general lighting in retail, commercial and domestic applications, particularly where unobtrusive miniature fittings are required.

SALES FEATURES

Comprehensive range

Two styles; standard track versions for use with Illuma 1-circuit track; surface-mounting versions. Other track versions can be made to order: for use with certain types of Concord, Global and Thorn 1-circuit track (order TM3411/G1 etc); for use with Global 3-circuit track (order TM3411/G3 etc). White finish.

Quality

Suitable for direct mounting on flammable surfaces. Guaranteed for five years.

Ease of installation

Easy installation and removal from track. The adaptor locks the spotlight positively to the track, and on standard versions incorporates a switch for individual switching. Surface spotlights are pre-wired to a 10A terminal block.

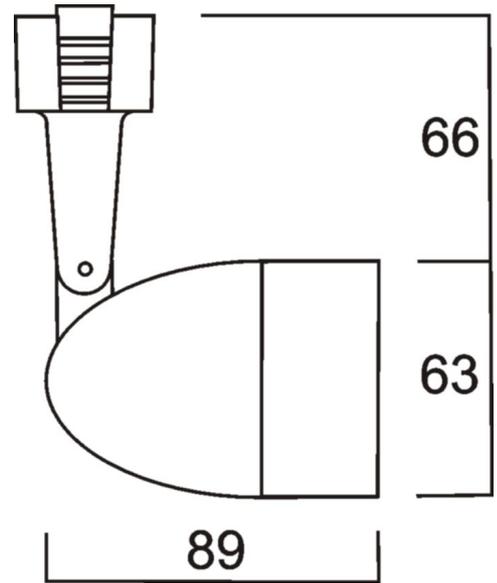

Lamp description

Energy Saving Minature compact Fluorescent
