

## Technical Update

### T46 T4 6W linkable Fluorescent

#### ELECTRICAL CHANGES:-

The interpretation of EN60320-2-2(Male/Female Connectors) by our test house GS has now advised that to comply with the safety standards in this document the depth of the electrical contacts on the female socket of the fitting must be increased from 3.5mm to 5.7mm this has resulted in an increase to the length of the T46.
