## COB LED Strip Light Kit 5m CCT

### High-Performance Lighting at Your Fingertips

Transform your space with the brilliance and versatility of our **CCT Changeable COB Strip Kit** – a premium lighting solution designed for both function and flair. Whether you're enhancing ambient mood or elevating task lighting, this advanced kit delivers seamless, flicker-free illumination with cutting-edge features packed in one convenient package.

### Product Highlights

#### • Ultra-Smooth Illumination

With an impressive **608 LEDs per meter**, this high-density COB LED strip ensures consistent, dot-free lighting that's perfect for modern interiors, accent displays, under-cabinet lighting, and more.

#### • Dual Colour Temperature Flexibility

Enjoy the power of **tunable white light** from a cozy **2700K** warm glow to a crisp **6500K** cool tone — ideal for shifting atmospheres and personalized comfort. Switch tones effortlessly using the **included RF remote control**.

#### • Superior Colour Accuracy

Boasting a **CRI above 90**, this strip delivers vivid, true-to-life colour representation — essential for design-focused environments like retail, art studios, and home décor.

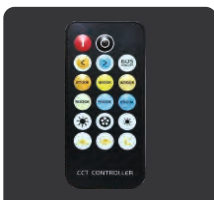

#### • Customizable and Easy to Install

Cut the 5m strip every **2.63cm** for a tailored fit. The **10mm wide** strip features **durable self-adhesive backing** for a simple peel-and-stick application to most surfaces.

### Package Contains

5m Reel of Self-adhesive Tape

Remote Control

RF Mini LED Controller

24V/DC Power Adapter (Desk type)

### Specifications

- Input: 110-240 V/AC, 50/60 Hz
- Output Voltage: DC 24V
- Power: 7+7W/m
- Adapter: DC 24V, 2A, 48W
- Length: 5m
- Strip Width: 10mm
- IP Rating: IP20 (LED Strip only)
- Self-adhesive Tape for Easy Installation
- Cut to size in 2.63cm intervals
- 304 x 2 - 608 LEDs/m (W+WW)
- Luminous Flux: 600-650 lm/m
- CCT (2700-6500K) full control
- Dimmable RF Mini LED Controller
