

LTDL3NML

3W LED Non Maintained Emergency Downlight

The LTDL3NML emergency downlight is designed mainly for commercial, retail, and open areas applications. It has a low profile design and it is a non-maintained yet high output LED (emergency downlight). Ideal for use in corridors, stairwells and other places that require a smart, discrete emergency unit.

Features & Benefits:

- Ceiling Recessed Mounting
- Matt Silver & White Trims Included
- Compact Design
- Pre-wired for Easy Installation
- Long-Life Lithium LiFePO4 Battery
