LTPH10BC 10m LED Party Light Harness with 10xBC/B22 Lampholders

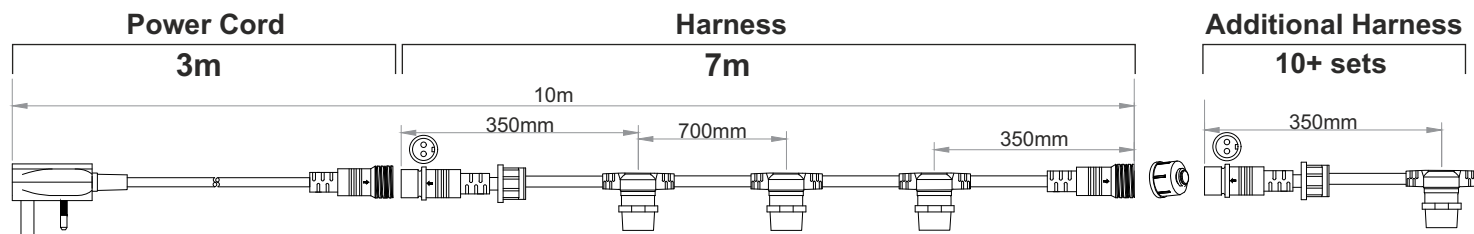

The 10m LED Party Light Harness is the ideal solution for vibrant, reliable illumination at events, parties, and outdoor gatherings. Pre-fitted with 10 standard BC/B22 bayonet cap lampholders spaced evenly at 70cm intervals, this festoon harness is built for convenience and durability. Designed for both temporary installations and permanent setups, it is linkable with multiple sets (up to 20 harnesses with lamps max. 2W) for extended lighting coverage over large areas.

Features & Benefits:

- Easy setup – Just add B22 LED globes
- Weather-resistant – IP 65 (with lamps fitted) rated for outdoor use
- Expandable – Link up to 20 harnesses (lamps max. 2W)
- Versatile mounting – Suitable for various setups
- Perfect for events – Ideal for parties, patios, and venues.
