

LTSHL8C

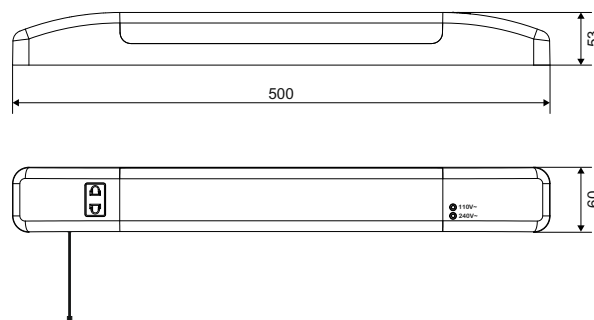

8W CCT LED Dual Voltage Shave Light Chrome

This LED shaver light is a sleek, energy-efficient lighting solution ideal for bathrooms and vanity areas, with 8W delivering 480 lumens of bright, even illumination with a wide 130° beam angle, ensuring excellent light distribution. It features a CCT changing switch between 3000K (warm white), 4000K (neutral white), and 6000K (cool white) for various lighting preferences and environments. With dual voltage compatibility, it supports both 115V and 230V outputs, making it suitable for international use. The fixture holds an IP20 rating and it is Class I, requiring earth connection. Whether for home or hotel installations, this modern shaver light combines style, practicality, and adaptability in one compact unit.

Features & Benefits:

- Dual voltage output 115V/AC & 230V/AC
- CCT changeable 3000K / 4000K / 6000K colour temperatures
- Energy-efficient 8W LED with 480 lumens output
- Wide 130° beam angle for even light distribution
- IP20 rated – suitable for indoor use
- Class I requires earth connection
- Slim, modern design ideal for bathroom and vanity areas
