

LED LITE™

SMWFAD 13A Wi-Fi Tuya Smart Plug In with Timer c/w Energy Monitor

13A Tuya WiFi + Bluetooth® Low Energy UK Smart Socket - a powerful and reliable smart plug designed for modern homes and offices. Featuring real-time power monitoring, remote control, and intelligent automation, it lets you manage and track your electrical devices anytime, anywhere.

Fully compatible with the Tuya Smart and Smart Life apps, this smart socket also supports voice control via Alexa and Google Home, helping you reduce energy consumption while enjoying effortless, hands-free convenience.

Features & Benefits:

- **Tuya WiFi + Bluetooth® Low Energy Dual Connectivity**
Stable and fast connection with easy pairing via Bluetooth and WiFi.
- **13A High Power with Energy Monitoring**
Built-in power metering to track real-time and historical energy usage, helping you optimize electricity consumption.
- **Tuya Smart & Smart Life App Control**
Works seamlessly with Tuya Smart and Smart Life apps, with free message push notifications.
- **Remote Control Anywhere**
Turn devices on or off remotely using your mobile phone.
- **Smart Timer Functions**
Supports countdown, scheduling, and timing functions for automated daily routines.
- **Voice Control Support**
Compatible with Amazon Alexa and Google Home for hands-free voice operation.
- **Event & History Records**
View historical records of device operation and power usage directly in the app.
- **Smart Automation**
Create automation scenes and link with other Tuya WiFi smart products for a fully connected smart home.
