

LED LITE™
Energy Saving LED

LTPL1

3W LED COB Rechargeable Penlight

The LTFL1 rechargeable penlight is powered by a rechargeable 18650 battery. It has dual light source (front and top) and belt clip for easy use. Easily recharged by USB cable, it also has a soft rubbery feel grip so it's comfortable to hold. The compact design makes the penlight a perfect to fit in your pocket, glove box, bag and tool box.
