

LTG1CCT

24W Galaxy 1 LED Bulkhead IP65 CCT and Power Adjustable

The new 18W Galaxy 1 Bulkhead is a versatile and stylish lighting solution, ideal for both indoor and outdoor spaces. With CCT changeable options (3000K, 4000K, 6000K) and power selectability, it offers full customization to suit diverse lighting requirements.

Designed for ease of use, the Galaxy 1 supports plug-and-play emergency and sensor add-ons, making functionality upgrades simple and efficient. Its robust construction ensures long-lasting durability, making it a reliable choice for residential, commercial, and industrial environments. Combining sleek design with advanced features, the Galaxy 1 delivers adaptable, energy-efficient lighting with ease.

Easily Accessible CCT & Power Changeable Switches

Central and Two Side Conduit Cable Entries

Easy to Install Trim Bezel

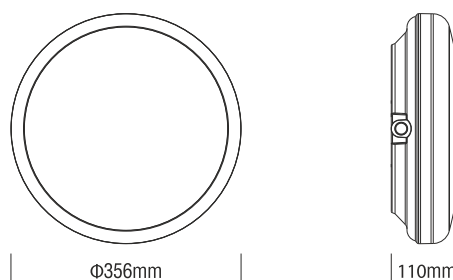

Push Fit Terminal Block

Features & Benefits:

- Hinged LED Gear Tray for Easy Access
- Tri Wattages: 24W/18W/12W
- CCT Changeable: 3000K/4000K/6000K
- Easily Accessible CCT & Power Changeable Switches
- Up to 2400lm
- IP65 Rated
- Central and Two Side Conduit Cable Entries
- Besa Box Compatible
- Push Fit Terminal Block
- Easy to Install trim Bezel
- Quick Plug-in & Screwless Emergency Pack (LTEM) and Microwave Sensor with Corridor Function Available (LTES) - sold separately
- Warranty: 5 Years

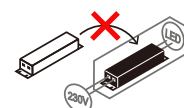

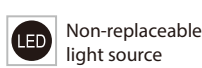

35% Energy Saving
50,000 Hour LED Lamp Life

Dimensions(mm):

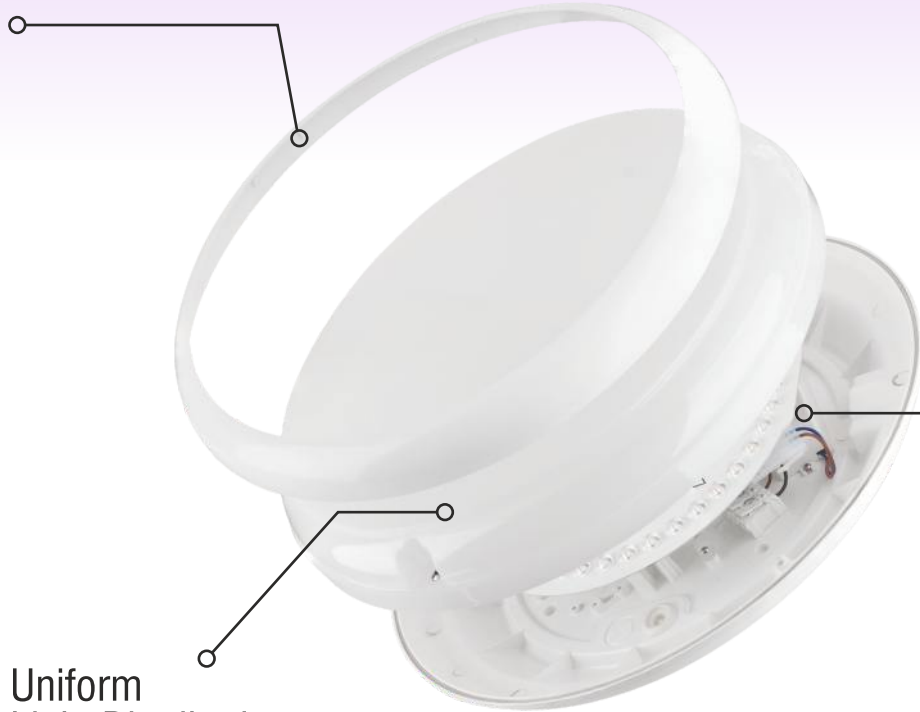

Technical Specifications:

Input Voltage:	220-240 V/AC, 50-60Hz	Efficacy:	>100lm/W (4000K)
Power:	24W/18W/12W Switchable	CRI:	>80
LEDs:	SMD 2835	Beam Angle:	120°
CCT Changeable:	3000K/4000K/6000K	IP Rating:	IP65
Light Output:	2400lm/1900lm/1300lm	Protection Class:	Class II
Power Factor:	>0.7	Housing:	Polycarbonate
Current:	170mA / 130mA / 90mA	Operating Temp.:	-15°C to +40°C
Ripple Current:	<10%	Dimmable:	No
Dimensions:	(Diam.) Ø356 x (D) 110mm	Warranty:	5 years
