

LED LITE™

Energy Saving LED

2W LED Pygmy Lamps

LTPY2SBC

LTPY2BC

LTPY2SES

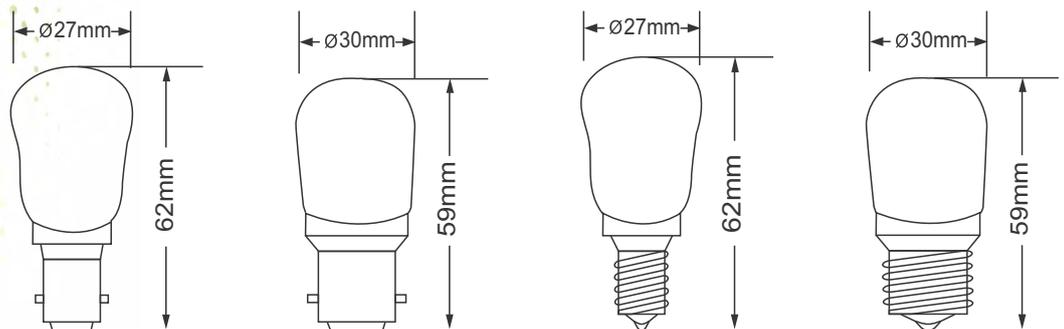

LTPY2ES

2W Ledlite LED pygmy lamps are perfect for use as a direct replacement for small display fittings with limited space. Not only are these lamps ultra energy saving (only 2W), but they also give the same light output to a standard 25W pygmy lamp.

Features:

- Input: 220-240V
- Power: 2W
- Lumens: 150lm
- Colour Temp.: 2200K
- Beam Angle: 260°
- Lamp Cap: B25/B22/E14/E27
- CRI (Ra) > 80
- 2 year guarantee
- Non - Dimmable
- Energy Saving up to 85%

Dimensions:

SBC (B15)

BC (B22)

SES (E14)

ES (E27)

These high performance LED's are of outstanding performance and quality and not to be confused with cheaper budget leds on sale!
