

## LTG9C3WW

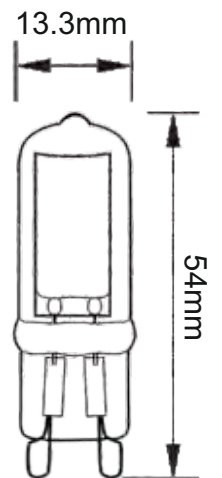

## G9 3.5W COB LED Capsule Lamp

Efficient G9 LED capsule lamp delivering warm white light at 3000K with 380 lumens. Featuring COB LED technology for uniform light output, this non-dimmable lamp is an energy-saving replacement for traditional halogen capsules, ideal for decorative and general lighting.

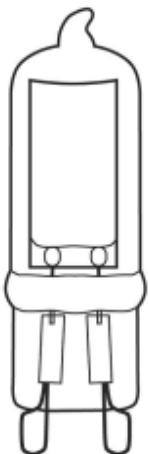

### Features & Benefits:

- 3.5W COB LED
- 380lm output
- Warm White 3000K
- Non-dimmable
- Energy-efficient halogen replacement
- G9 capsule base

### Dimensions:

### Technical Specifications:

Input Voltage:	220-240 V/AC
Power:	3.5W
CCT:	3000K
Light Output:	380lm
Dimmable:	Non-dimmable

220-240V/AC
