BLM200BAT

200mm LED Magnifying Swivel Arm Mirror

Modern and stylish, the BLM200BAT illuminated chrome finish bathroom mirror is ideal for applying make-up or for shaving. The LED light and the 5X magnifying mirror allow you to see clearly when you apply make-up or shave. The frame switch simply turns the light on/off while the adjustable head and wall bracket allow for a wide range of movement.

Requires 4x AAA batteries (not included)
