

7W LED GLS DUSK TILL DAWN

Features:

- Includes dusk till dawn sensor which enables the lamp to automatically turn on when in a dark environment and to turn off when in a light environment
- Ideal for outdoor lighting
- Available in 3000k and 4000k offering a choice of warm incandescent style glow or clean bright white
- Attractive aesthetics perfectly compliment a vast range of indoor and outdoor lighting
- 50,000 Hour average lamp life (25 times longer than a standard incandescent GLS lamp)
- High quality Epistar chip
- 2 Year guarantee
