

# Classic

"An elegant and discreet lighting solution for the front of buildings, in porches, or along passageways and perimeter walls."

The Starmaster Classic Lantern is available in both black and white, with a smoked visor. It adds elegance at a stroke to any portico, porch or length of walling which needs a lighting solution with a traditional appearance.

This low energy compact fluorescent lantern is also available in photocell version - providing all night, low-cost security lighting whilst retaining the grace and character of the building.

## SPECIFICATIONS

Designed and constructed to EN 60598-2-1.

Designed and manufactured under a quality system to BS EN ISO 9001.

Suitable for outdoor use - weatherproof to IP43.

Class 1 Insulation.

## CONSTRUCTION

Die-cast aluminium body chromate treated prior to powder coating for added corrosion resistance.

Tough, smoked polycarbonate visor.
