

PROFESSIONAL BATHROOM 27" TV WITH RS232

PV27BF-232

PROTECTED AND PRACTICAL

Fully sealed TV embedded in the wall to offer protection to key components while incorporating a heated LED screen to prevent misting up so viewing is unaffected and manufactured using a front glass layer that is only 4mm thick, offering a slim profile to look the part in your bathroom.

INTEGRATE WITH YOUR HOME

The Professional model of our bathroom TV range features an RS232 serial port which enables connectivity and integration with leading home control systems such as Control 4 and Crestron with drivers readily available for easy install.

LOOKS AND SOUNDS THE PART

Built using a high definition LED panel and powerful vibration speakers to achieve prime viewing for a bathroom and make for the ultimate relaxation experience at bath time.

MADE IN LONDON

The Professional range of ProofVision bathroom TVs are assembled to order in our London warehouse with a full quality check before they leave the building ensuring our customers receive only the best.
