

The NEW Redring Selectronic Advanced thermostatic shower is a redesigned, high quality electric shower designed as an inclusive shower for the whole family. It offers easy to use controls with precise temperature control and energy efficiency. Available with standard accessories or in the **PLUS** version with extended rail and 2 meter hose.

Key Features

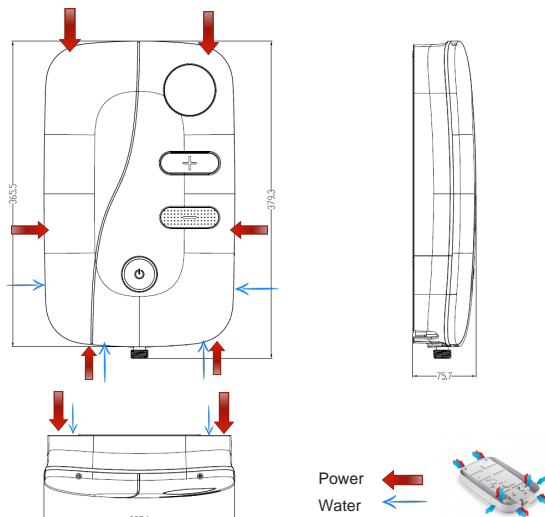

- BEAB Care Highly accurate, temperature control to $\pm 0.5^{\circ}\text{C}$ for a safe and comfortable showering experience
- Push button controls with audible adjustment confirmation for ease of operation
- Large LED digital temperature display
- Phased shutdown safety protection for next user providing cool start up and scale protection
- Maximum temperature lock limiter options of 41°C and 43°C Selectable on installation
- Simple push button rapid commissioning
- Integrated 2-wire waste pump control
- SmartFit™ technology makes installation easy, thanks to multi-entry left right options for power and water
- 5 spray mode shower head with easy rub-clean nozzles
- Temperature over ride facility for the whole family
- **PLUS Version c/w 2mtr anti-kink flexible shower hose, 1mtr riser rail, 5 mode handset, soap dish and hose retainer**

STANDARD version c/w 1mtr anti-kink flexible shower hose, 600mm riser rail, 5 mode handset, soap dish and hose retainer
