

Product Code: SAN223

Description: Sangamo 3 Port 22mm Mid Position Motorised Zone Valve

General Information

Dimensions (mm)	59 x 131 x 108
Materials	Valve Body: Brass Valve Stem: Stainless Steel Valve Sealing: EPDM Actuator Casing: Aluminium
Ports	3
Valve Size (mm)	22
Thread Type	Compression
Fluid Temperature (°C)	+5 to +88
Flow Direction	Marked on valve body
Response Time Opening (s)	12
Response Time Closing (s)	5
Maximum Static Pressure (Bar)	8
Max Close-off Pressure (Bar)	0.69
Auxiliary Switch Rating (V)	250AC @ 3A
Torque (Nm)	0.8
Warranty (Years)	3

Supply & Power

Supply Voltage (V AC)	220 - 240
Frequency (Hz)	50/60
Wiring Type	5 Wire
Power Consumption (W)	5

Environment

Operating Temperature (°C)	+5 to +50
----------------------------	-----------

Features

Supplied with 1m fly lead
