

iPulse M-1435 Safe Plus 110V UK

Order no. 110516

Equipment

- **Automatic impulse filter cleaning** - cleans the filters during suction operation - without air flow interruption for permanent operation!
- Demand-driven by pressure differential measurement!
- Cleaning of the filter cassettes with forces corresponding to 300 times the acceleration due to gravity (300 g) - perfectly suited for fine and problematic dusts (e.g. plaster)
- **New high-performance turbine** with better suction power
- **Smartfix** - fixation of Systainer tool boxes. Innovative railings offer additional possibilities, e.g. the fixing of the suction hose with Velcro straps.
- **Push handle** for comfortable driving of the vacuum cleaner
- Power socket with automatic ON/OFF
- 2-stage speed regulation
- Air flow monitoring with acoustic warning signal / preselection switch for different hoseØ
- Filter indicator light
- Soft start control & tracking electronics
- Water level detection with sensor shutdown
- Antistatic preparation
- Carrying handle with fold-out cable hook
- Accessories optimally accommodated: 4 parking positions at the rear and 2 holders on the upper part
- Robust, double-walled container suitable for construction sites
- Large, reinforced wheels and castors, flush, stable locks
- **New rotary slide:** Easy handling - facilitates the flexible use of fleece and PE bags.
- **New container closure** for dust-free transport

Technical Data

Power consumption max.	1400 Watt
Volume flow max.	74 l/s*
Vacuum max.	234 mbar*
Sound pressure level	69 dB(A)
Container volume (max.) Gross-dust-water	35 l; 25 l; 22 l;
Dimensions (L x W x H) (incl. push handle)	66 cm x 40 cm x 92 cm
Weight	16,8 kg
Power cable length	8 m (Gummi, H07RN-F), rot
Operating range	13,0 m

* Measured at the motor head

Scope of Supply

- 1 x antistatic suction hose AS w. rt. NLR (Ø 35 mm x 5 m)
- 2 x suction pipe, stainless steel
- 1 x handle tube, stainless steel
- 1 x floor nozzle 30
- 1 x connection sleeve (staged)
- 1 x crevice nozzle 22 cm
- 2 x Velcro strip
- 2 x pleated filter cassettes FKP 4800 M Adv. polyester (dust class M, ≥ 99.9%)
- 1 x special PE emptying bag

extreme dust emission

IFA-certified vacuum cleaner for slightly hazardous dusts of dust class M, dust retention capacity 99 %.

**Dust-free and therefore healthier working!
More safety in the workplace!**
