LED Floodlight

Spot Garden

NightAutomatic

EAN 4007841058692

Function description

The spike light for the garden. The "Spot Garden NightAutomatic" competently sets off green spaces and flower beds around the home. Equally as attractive as it is practical, the LED spot with photo-cell controller provides light from an economical 7 W and can be tilted through up to 90°. The light-level sensor automatically switches light ON at dusk and OFF again in the morning. Includes power cord (2.5 m) and lamp.
