

# Defender® Mini 24 Hour Segment Timer

A mini version of our existing timer, smaller version allows for plugs to be next to the timer.

## Key Information

- Small and compact
- 24 hr setting range
- 1 segment = 30 minutes
- 48 x 30 minute segments
- Override switch
- Wide segments

Highly versatile making this unit an ideal burglary deterrent giving the appearance that a home is occupied. Beneficial for vulnerable or repeat victims helping them to feel secure in their own home.
