

Technical Data Sheet

Cable Tray / Pre Galvanised / Accessories / 4-Way Intersection

British Standard:

BS EN 61537: 2007

Material Specification:

British Standard: BS EN 10346:2015.

Illustration shown is medium duty

Finish:

Pre Galvanised

Product Information:

- All cable tray accessories have a female connection which eliminates the need for couplers when connecting to lengths
- When connecting two accessories together a small piece of cable tray will be required
- Light duty accessories do not have a return flange refer to cable tray lengths data sheet for more information

Packing Detail:

1 x 4-way intersection
