

**STORED &
SECURED.**

VAN VAULT 2

UPGRADED FEATURES AND BENEFITS

SAFETY CATCH

now coloured in red for increased visibility

EASY-LIFT GAS STRUT

through the body of the box ensures a soft open-and-close lid action and maximises storage space

RECESSED LOCK

prevents accidental breakage of keys

WIDE-MOUTH DROP FRONT

provides greater access and visibility of the contents inside

VAULTLOCK™

positioned deep within the body of the box and shielded by a hardened steel plate is harder to attack

TOUGHER BUILD

steel thickness has been increased

MOUNTING POINTS

have been further strengthened and now with anti-theft fixing kit supplied

BOLT-ON HANDLE

simply shears off if attacked

FLUSH FRONT LID

is impervious to car jacks & crowbars

FULL LENGTH LID BRACE

grips the front of the box so won't budge when attacked

CROSS BAR REINFORCEMENT

increases rigidity of the lid

APPLIES TO ALL VAN VAULT VEHICLE BOXES
