WISKA **SPRINT** 17th EDITION AMENDMENT 3 WIRING SOLUTION

SPRINT Tails Kit Glands

The new WISKA **SPRINT** Tails kit provides a solution for the wiring of the new Amendment 3 compliant consumer units.

Utilising their unique inserts, used in either plastic or brass glands (including a fire retardant option), they allow metre tails and earth wire to be installed through one insert, providing cable retention, no eddy currents, and whilst being mindful to maintain the appropriate fire integrity of the board.

Cable entry sizes suitable for: 2 x 25mm² tails, 1 x 16mm² earth
