

# C.K MIGHTY RODS

## 10m CABLE ROD SET - T5410

# MIGHTY RODS

- 1 Triple fixed steel connectors for extreme torsion and tensile strength – glued, indented & crimped
- 2 Slimline connectors reduce snagging and provide accessibility through smaller holes
- 3 5mm rods offer the optimal balance of rigidity and flexibility for the majority of cable routing requirements
- 4 High sheen fibreglass composite rods minimise snagging and splintering
- 5 Supplied with cable hook, 190mm coiled steel flexi lead, mini eye & ring. Includes 5mm - 6mm adapter
