*"We are a fourth generation family business. We're proud of our heritage and excited about our future."* - Rick Wiedemer, President, Hinkley Lighting

Hinkley Lighting is driven by a passion to create lighting fixtures that help our customers achieve the very best vision of their home and lifestyle.

Hinkley Lighting began in 1922 as a small family lighting company and has developed into one of the most well-respected designers and manufacturers of high-quality lighting fixtures in the world. Our lighting has always been defined by superior materials, distinctive designs and unparalleled craftsmanship. Continuing our family heritage with a fourth generation of visionary leaders in the lighting industry, Hinkley Lighting continues to evolve while maintaining its tradition of unique designs and enduring quality.

Hinkley Lighting use only the highest quality materials and offer an extensive array of finishes to complement every style of interior and exterior design.

In March 2012, Hinkley Lighting partnered with Elstead Lighting as their European and specialist 220 - 240V market distributor.
