

10Y29

10-year Optical Smoke Alarm

Battery-Powered

Overview

Compact and simple smoke alarm with a non-replaceable, sealed-in Lithium battery for 10 years of continuous protection – meaning the user never needs to change the battery for the full duration of the alarm's life.

Key Features

- Optical smoke alarm sensor technology
- Battery operated sealed-in lithium battery lasts the full life of the alarm
- 10-year battery life
- Hush button feature allows nuisance alarms, such as those caused by cooking or steam to be temporarily silenced
- End-of-life warning signal alerts you when alarm needs to be replaced
- 10-year warranty

10-year Optical Smoke Alarm Battery-Powered
